Why Genesis?
What is the significance of the idea of Genesis?

Bereshath - "in the beginning" Hebrew
Genesis - beginnings - Greek

2001 Genesis vs 2021 Genesis
vs 2025 Genesis

Beginnings - Every single morning is Genesis
Every time the enemy tries to tell you it's over ... Genesis 2015
Why?
Bereshath Elohym
In the beginning ... God

Every other word He gives us hings on the power of that first 2 word phrase Bereshath Elohym

In the beginning God - everything comes from Him
In the beginning God - He is first in all I do
Proverbs 3:5-6
Trust - hide, take refuge, rest
Heart - inner man, emotions/feelings intellect/decision-making, the will

Acknowledge - to know (observation, care, recognition) resulting in instruction

Direct: prosper, make pleasant, fit, seem good

Path - walk/every step you take to get from where you are now to your goal

Fear vs Faith
Bereshath Elohym

In the "beginning"
God introduces the concept of <u>time</u>
Adam introduced death
Suddenly time is valuable
It is your greatest /only commodity

I've been in the feels with
video showing 75+ year old
marriages and how they react after
being apart.

TT said to Rayne "yesterday I brought
you home"

Time is relentless

Solomon (the wisest man to ever
live) raged against time and
death Ecc 3: 1-8 outlines
Ecclesiastes

Ecc 12:13 is the mic drop
$\boxed{\text{Fear}}$ God & Keep His commandments

Matt 22: 35-40 is the
mic drop for keeping commandments

Gen 1:1 In the beginning God **CREATED**
-or- The creative process of God as seen from the clay (part 1)

I understand that, as clay, I can only quantify my own process and infer from God's Word that, because I was created in His image/likeness, He may choose to create this way. Then we can compare scripture and see.

1) Preparation
2) Incubation (Brooded / Hovered)
3) Illumination (Let there be light)
4) Evaluation (God saw it was good)
5) Implementation (God formed the man)
6) Reflection (God saw it was very good)

For me, preparation starts with a dream

(iii) In 65S passing a new community in 2003 "Genesis Sprinklers" was conceived. Just a dream at that time, it started the preparation phase.

Did God prepare? In the beginning God created the Heavens and the earth. How many heavens? Gen 7:11 happens roughly 1656 years after the fall when aging began.

How do we prepare? Research, immersion, brainstorming, studying existing works, identify market voids that spark creativity

Without a goal / destination you are only wandering

The Creative Process of God (Part 2)

1) Preparation - discover your 'why', develop a goal / destination ... stop wandering
   - Thorough research
   - Brainstorm / mind map
   - Diverse perspectives BE FEARLESS

2) Incubation - stepping away from active problem identification; lack of active focus on the problem, which can lead to an 'aha' moment

Did God "incubate"?

Gen 1:2 And the earth [was] (let there be) without form (desert / rain - blank) and void (empty of content) and darkness was upon the face of the deep.

A blank canvass

And the Spirit [FIRST MENTION] of God [moved] upon the face of the waters. BROODED / HOVERED

What does incubation look like for a servant of Christ?

Mindful meditation
   - His word
   - His works

Diverse stimuli
   - Read outside the field
   - Stimulating music

Low demand repetitive activities.

Gen 1:1

The Creative Process of God pt 3
- Illumination -

Why are we looking at this?
- It is the very first attribute God reveals about Himself/ Holy Spirit*

Therefore

- God likely places a premium on creativity.

Therefore

- Things that dull or inhibit or eliminate the creative process are not likely pleasing to God

ie watching TV for hours at night instead of reading a book or writing one.*
What else dulls the process?

What are you going to do to change that?

Joshua 1:1-9

2 - Arise & go (invest your own energy)
5 - Believe God (Lee Roberson)
6 - Fasten to His Word and be alert
7 - Vehemently courageous (sissies don't win) in following His Word
8 - Meditation on His Word and daily speaking of it

Illumination Part 2

Let there be light

What is the Illumination phase?

It is the work from the 2 previous phases resulting in that "a-ha" moment that leads to elegant solutions

You prepared - you stressed / worked

You Incubated - you stopped stressing

mindful meditation (words & works)

Simple exercise (walking / rowing)

Keep sharp (study / read outside fields)

Capture ideas immediately

(i.e.) my "business ideas" journal

Beginner's mind

(i.e.) sky

Bam - A-HA moment comes

* It seems that the steps of the creative process will also result in an emptying out of what you thought you were and what you thought was important. THAT is a house God can live in and fill.

Side note:

And God said ...

He was clear, concise, direct

(i.e.) Bolt prompts

What you say and how you say it has great authority

Eph 5:19

Speaking (out loud) to yourself

Psalms - duh

Hymns - songs relating the power of God

Spiritual (non carnal) songs

If ↑ is the recipe for Holy Spirit fulness, what do you suppose our music sing-a-longs promote?

Evaluation Gen 1:4

And God saw the light, that it was good

Saw - to see, look at, perceive, consider
Good - positive

History had already begun; at this point in history, there we no voices except God's. No outside opinions or judgments, just the AUTHORITATIVE voice of God.

So, without fear or vacillation, God declared, THIS IS GOOD (using only His word as the benchmark)

What is the only benchmark for good? Can we truly understand what is good w/o God's Word?

Psalm 116:15
Gen 5:24

II Cor 10:5

Implementation & Reflection

Genesis 1:27-31

Behold, it was <u>very</u> good

This is the closest we come to seeing God get giddy. He was pleased with how creation came together.

This was gratitude / thanksgiving

Creative process = steps for H.S. fullness

Eph 5:18-25

18 + 19 are memorized & touted as the method of Spirit fullness; however, 20-25 are active members of the equation.

20 - Giving thanks. this is huge.

1Th 5:16 - in everything give thanks, for this is the will of God in Christ Jesus concerning you.

21-25 Submitting

21 - me to you / you to me

22-24 Wives to husbands

25-33 Husbands to wives
