Memorial
- Preservation of memory
- That which preserves the memory of something

Why is it important?
"Those who cannot remember the past are condemned to repeat it"
~George Santayana

- Large Scale - Societies
- Medium Scale - Families
- Small Scale - you

1) Education / learning

Is it Biblical? Why are we hearing a "message" on Memorial Day?
Genesis
What is the Genesis of the idea?

Gen 6 & 9 tell the story of Noah
The story of the flood begins & ends with remembering.
8:1 - God remembered Noah
9:15-16 God created the rainbow - why?

Exodus tells us about the 10 plagues and the crossing of the Red Sea... and God repeatedly tells His chosen to remember... to teach it to their children and grandchildren.

Why?

#2 To own / manage your emotional state

Has anyone here ever had anyone in their life that was so giving that just pondering that person and what they did and how they changed you, a warm feeling and a bright countenance just happens? Gratitude is a choice. God wanted the Israelites to remember what He did and who He was / is because true worship comes out of gratitude.

And that fits perfectly with the last thought:
Memorial / memory / remembrance is linked to your access to Heaven and eternal life

I Cor 15: 1-2 (Read)
"if" a primary principle of conditionality
"Keep in memory" to have / hold (like wedding vows)

So what is this 'gospel' I need to keep in memory in order to be saved?
Catechism?
Selected works of the Apostles?
Chapters of the Bible?
The whole Bible???
